Inspirations: Which way?

Enter through the narrow gate. For wide is the gate, and broad is the road, that leads to destruction, and many enter through it. But small is the gate, and narrow the road, that leads to life, and only a few find it. Matthew 7:13 - 14.

There never was a more solemn time in the history of this world than the time in which we are now living. Our eternal interests are at stake and we should awake to the importance of making our calling and election sure. We dare not risk our eternal interests on mere maybe's. What we are, what we are doing, and what is to be our course of action in the future, are all questions for this present point of time, and we cannot afford to be listless, indifferent, unconcerned. Every person should ask themselves, "What is eternity to me?" Are our feet in the path that leads to heaven, or in the broad road that leads to ruin and eternal destruction?...

Only those who are abiding in Christ can know what true life is. They are continually seeking to know and to do the will of Him who has died to redeem them. They know that the road they must travel is narrow, and that they will have to meet many obstacles and temptations, as they resist the attractions that the broader road offers, but they will recognize the footsteps of Jesus, and press onward toward the mark for the prize of the high calling in their Lord and Saviour. They will choose the royal way that leads to heaven. Val and Syd Pool Seventh day Adventist Church 67 248 417
